Dear P7 students and Parents/Guardians,

I hope you are safe and well in these strange times. Normally at this time of the year we would be inviting you in to see around our beautiful building, meet the students and staff and enjoy all that St Malachy's has to offer. Unfortunately, Covid put a stop to that, however to enable you to still experience a little bit of this virtually, I have included some links to online resources that will help you in making your choice of school for the next stage of your educational journey.

Our online prospectus can be found by clicking on the link below

Please enjoy our Open Day video using the link below.

The admission criteria for the school (including the criteria for IME) is included as an attachment to this letter.

The admission criteria for all post primary schools can be found on the EA website where you will find information and video guidance on the online application process. EA will be providing further guidance to parents in the next few weeks.

Please follow us on Facebook to get a flavour of the school and all the wonderful activities and achievements of our students.

Good luck with the decision on your choice of school that you will be making over the next few weeks. If you have any questions or queries please contact the school on 02843778255 or via email info@stmalachys.org.uk and we will be happy to help.

Please continue to stay safe and well,

Best Wishes,

O'Neill
