

Fun, educational activities to keep you entertained this Christmas break!

To help keep everyone entertained this Christmas, the Consumer Council has designed a range of free games, quizzes and activities for all to get involved with.

You'll be learning about scams and consumer rights alongside our mascot, Peanut the Squirrel. Activities include snap, Pictionary and bunting making. They've been designed to have a learning element too so you may learn something new yourself!

In addition, you may even win a prize! The Consumer Council is asking you to tag it in photos of you playing these activities on [Twitter](#) or on [Facebook](#) to be in with a chance of winning £25 Love2Shop voucher.

The activities can be downloaded from www.consumerCouncil.org.uk/activities/christmas.
