ST. JOSEPH'S PRIMARY SCHOOL	49

This policy has been developed within the context of current legislation, policy and guidelines:

Mission Statement:

ETHOS

A statement and evaluation of the ethos of St Joseph's Primary School.

'A small school with a big heart'

***'We want our school to be a place for everyone. To do some work and have some fun!

an atmosphere of joy, peace and love.'***

We at St. Joseph's Primary School aim to provide a happy and caring atmosphere for the child, where they feel secure and able to fulfil their potential. We will acknowledge and celebrate their achievements and individual strengths and differences and aim to promote their self-esteem and confidence at all times.

Our purpose is to provide a solid foundation to help them to progress to adulthood through:

- Encouraging each child to be confident, independent and responsible learners through a curriculum which suits the needs of each individual.
- Promoting the development of lively and enquiring minds to acquire skills towards self learning.
- Developing respect for others in terms of religion, race and personal circumstances and
- Encouraging the children to become active and interested members of the wider community.

At Saint Joseph's P.S we believe all forms of bullying behaviour are unacceptable. We believe that all pupils have the right to learn in a safe and supported environment.

We as a school community repudiates bullying behaviour of any kind, to any member of the school community, by any member of the school community.

- Duty of Board of Governors to secure measures to prevent bullying
- Duty to keep a record of incidents of all incidents of bullying or alleged bullying involving a registered pupil at the school

2. WELFARE AND PROTECTION OF PUPILS EDUCATION AND LIBRARIES (NORTHERN IRELAND) ORDER 2003 - DE Circular Number 2003/13 - which amends Article 3 of 1998 N.I. Order as follows:

Article 17 DUTY TO SAFEGUARD AND PROMOTE THE WELFARE OF PUPILS

Section 3 – Ethos & Principles

Every effort is made to encourage the children to see the importance of good behaviour and manners, respect and consideration of others in creating a happy, safe and secure learning environment for all.

Our anti-bullying policy is based on establishing good relationships between staff, staff and pupils and between the pupils themselves. Relationships between home and school play an essential part in the success of our policy, as parental awareness and support of the anti-bullying policy is vital in supporting the mechanisms in place at school. Our policy incorporates:-

- Ethos and values
- Relationships and attitudes
- Policies, procedures and practices
- Internal and external support structures

We, the governors and staff of Saint Joseph's Primary School, believe that the school is a vital part of our community.

- * We are committed to a society where children and young people can live free and safe from bullying.
- * We believe in a society where bullying is unacceptable and where every child and young person is safe and feels safe from bullying.
- * We believe that every child and young person should be celebrated in their diversity.
- * We are committed to a preventative, responsive and restorative anti-bullying ethos across the whole school.
- * We value the views and contributions of children and young people, we will actively seek these views and we will respect and take them into account.
- * We understand that everyone in our school community has a role to play in taking a stand against bullying and creating a safe and welcoming environment for all.

Section 4 – Consultation and Participation

This policy is subject to consultation which will be carried out in line with whole school development planning consultation to pupils, parents, staff and governors in the form of an online survey on a three-year cycle.

The anti-bullying policy may be subject to interim review if required.

It was last reviewed in September 2021, followed by a review in 2025 or before if necessary.

Pupil Voice will feed into consultation and ongoing anti-bullying messaging through the involvement of the pupil council and through whole school pastoral provision.

Draft copy of the policy will be published on the school website, school stakeholders will be furnished with a link by email and social media and invited to provide comment on the policy ahead of amendment and approval by the school's board of governors.

This policy has been developed in compliance with the Addressing Bullying in Schools Act (NI) 2016.

Pupils will be consulted through:

- * Consultative workshops with pupils
- * Class-based activities

- * Whole school questionnaires distributed to all pupils
- * Creation of a reference group of pupils, eg. the School Council

Consultation with parents/carers will be through:

- * Information sent home with parents/carers in relation to the draft policy
- * Parents have a designated time frame to respond to the policy
- * Questionnaires distributed to all parents/carers (online/paper)
- * Final Policy agreed with Board of Governors and added to the school website

The school will also consult with all members of the school community when developing or reviewing this policy. This includes:

- * Staff survey for all staff, teaching and non-teaching
- * Engagement activity for all staff, teaching and non-teaching
- * Representative members of staff involved in writing anti-bullying policy
- * Engagement event, or questionnaires, for those connected to the school (eg. local clergy, local supporters, external agencies that regularly provide input, etc.)

Section 5 – What is Bullying?

What is meant by the term 'bullying'.

The Addressing Bullying in Schools Act (NI) 2016 provides schools with a legal definition.

Addressing Bullying in Schools Definition of “bullying”:

1.—(1) In this Act “bullying” includes (but is not limited to) the repeated use of—

(a) any verbal, written or electronic communication,

(b) any other act, or

(c) any combination of those, by a pupil or a group of pupils against another pupil or group of pupils, with the intention of causing physical or emotional harm to that pupil or group of pupils.

(2) For the purposes of subsection (1), “act” includes omission.

A statement on the definition can be seen below:

Bullying is behaviour that is usually repeated, which is carried out intentionally to cause hurt, harm or to adversely affect the rights and needs of another or others.

While bullying is usually repeated behaviour, there are instances of one-off incidents that the school will consider as bullying.

When assessing a one-off incident, to make a decision on whether to classify it as bullying, the school shall consider the following criteria:

- * severity and significance of the incident*
- * evidence of pre-meditation*
- * impact of the incident on individuals (physical/emotional)*
- * impact of the incidents on wider school community*
- * previous relationships between those involved*
- * any previous incidents involving the individuals*

Any incidents which are not considered bullying behaviour will be addressed under the Positive Behaviour Policy.

The following unacceptable behaviours, when repeated, targeted and intentionally hurtful, may be considered a bullying behaviour:

- * Verbal or written acts*
 - saying mean and hurtful things to, or about, others*
 - making fun of others*
 - calling another pupil mean and hurtful names*
 - telling lies or spread false rumours about others*
 - try to make other pupils dislike another pupil/s*
- * Physical acts*
 - Hitting*
 - kicking*
 - pushing*
 - shoving*
 - material harm, such as taking/stealing money or possessions or causing damage to possessions*
- * Omission (Exclusion)*
 - Leaving someone out of a game*
 - Refusing to include someone in group work*
- * Electronic Acts*
 - Using online platforms or other electronic communication to carry out many of the written acts noted above*
 - Impersonating someone online to cause hurt*
 - Sharing images (eg. photographs or videos) online to embarrass someone*

We must stress that the above list is not exhaustive and that other behaviours which fit with the definition may be considered bullying behaviour.

There may be various motivations behind bullying incidents, including those named in the Act. These include, but are not limited to:

- | | |
|---------------------|-------------------------------|
| <i>* Age</i> | <i>* Breakdown in peer</i> |
| <i>* Appearance</i> | <i>relationships</i> |
| | <i>* Community background</i> |

- * Political affiliation
- * Gender identity
- * Sexual orientation
- * Pregnancy
- * Marital status
- * Race
- * Religion
- * Disability / SEN
- * Ability
- * Looked After Child status
- * Young Carer status

Bullying is an emotive issue, therefore it is essential that we ensure we use supportive, understanding language when discussing these matters. For that reason we will not refer to a child as 'a bully', nor will we refer to a child as 'a victim'. Instead, we will refer to the child describing the situation surrounding that child, for example:

- * A child displaying bullying behaviours*
- * A child experiencing bullying behaviours*

We encourage all members of the school community to use this language when discussing bullying incidents.

In determining 'harm' we define:

- * Emotional or psychological harm as intentionally causing distress or anxiety by scaring, humiliating or affecting adversely a pupil's self-esteem.*
- * Physical harm as intentionally hurting a pupil by causing injuries such as bruises, broken bones, burns or cuts.*

Section 6 – Preventative Measures

Rationale

If children are to make progress in their education, the environment for learning should be safe and caring. Every child has the right to:

- Be educated in a safe secure environment where their moral, intellectual, personal and social development is promoted
- Their parents and carers being informed and re-assured that their children are being educated in a safe, caring and respectful atmosphere.

The School's View

We believe that bullying behaviour is a highly distressing and damaging form of abuse and is not tolerated in our school. It is entirely contrary to the values and principles we work and live by. All members of the school community have a right to work in a secure and caring environment. They also have a responsibility to contribute, in whatever way they can, to the protection and maintenance of such an environment. It is our aim to promote a strong anti-bullying ethos within the school and the wider school community.

Staff are vigilant at all times to the possibility of bullying behaviour occurring, and take preventative steps to stop it happening and immediate action if an incident of bullying behaviour occurs, in order to protect, reassure and support the children involved. Parents will be contacted when bullying behaviour is identified.

The main areas when focusing on bullying are:-

- Policy and procedure
- Training and resources
- Curriculum and classroom practices
- School ethos

Under the revised legislation, the main focus for this anti-bullying policy is prevention.

We are committed to identifying Bullying pre-emptively when possible and to promoting and maintaining a Listening and Telling Culture.

In St Joseph's PS we will be consistent in the implementation of the Positive Behaviour Policy which:

- upholds everyone's right to be safe both physically and emotionally and requires everyone to behave in ways which keep everyone else safe - both physically and emotionally at all times towards others
- **bullying behaviour of any kind by any member of our school community to any other member of our community is completely unacceptable**
- requires high standards of behaviour at all times from every member of the school community
promotes early intervention and provides tailored support for those young people who experience difficulty in meeting acceptable standards of behaviour
- acknowledges and affirms positive behaviours
- acknowledges and sanctions socially unacceptable behaviours
- carries out regular school audits to assess the effectiveness of the policy through, for example, monitoring levels of pupil/staff wellbeing & relationships;

In St Joseph's PS we will be consistent in the delivery of pastoral/preventative curriculum which:

- addresses issues such as bullying, sectarianism, racism, and good relations through PDMU/ PD/ LLW
- through the **preventative curriculum (taught pastoral/preventative curriculum)** actively promotes positive emotional health and wellbeing and reduce likelihood of 'cyberbullying'
- develops emotional literacy, interpersonal and intrapersonal skills through for example planned Circle Time sessions
- builds confidence, self-esteem and resilience

In St Joseph's PS we will use ongoing tracking and monitoring of supervision arrangements re canteen, playground, corridors, toilets through for example:

- use of emotional mapping to identify 'hotspots' and audit supervision needs
- provision of Safe Havens to support vulnerable pupils e.g. through seating arrangements, movement between classes, providing peer support arrangements including Circle of Friends:
- provision of friendship stops/benches, suggestion boxes, playground buddy systems, peer mentoring

In St Joseph's PS we will encourage active whole-school participation in NIABF's Anti-Bullying Week activities

In St Joseph's PS we will encourage active involvement of the School Council in for example the development of:

- pupil agreed Codes of Behaviour such as AUPs, class/bus /visits charters
- 'keeping safe' messages
- pupil aide memoirs
- audits which track and monitor emotional wellbeing

Every member of the school community – pupils, parents, carers, staff (T/NT), Governors – will be expected to work collaboratively together to:

- foster positive self-esteem; respect the right of others to be safe
- behave towards others in a mutually respectful way
- model high standards of personal pro-social behaviour
- be alert to signs of distress* and other possible indications of bullying behaviour
- inform the school of any concerns relating to bullying behaviours
- refrain from becoming involved in any kind of bullying behaviour, even at the risk of incurring temporary unpopularity.
- refrain from retaliating to any form of bullying behaviour
- intervene to support any person who is being bullied, unless it is unsafe to do so.
- report any concerns or instances of bullying behaviour witnessed or suspected, to a member of staff.
- emphasise the importance of telling a trusted person about bullying behaviour when it happens or is observed
- explain the implications of allowing the bullying behaviour to continue unchecked, for themselves and/or others.
- listen sensitively to anyone who has been bullied, take what is said seriously, and provide reassurance that appropriate action will be taken
- know how to seek support – internal and external

- resolve difficulties in restorative ways to prevent recurring bullying behaviour and meet the needs of all parties

This Anti-Bullying Policy recognises that within schools there is a continuum of socially unacceptable behaviours. These unacceptable socially unacceptable behaviours infringe on everyone's right to be safe. They include the following examples:

1. **Physical** - includes jostling, physical intimidation, punching/kicking, any other physical contact which may include use of weapons
2. **Verbal** - includes name calling, insults, jokes, threats, spreading rumours
3. **Indirect** - includes isolation, refusal to work with/talk to/play with/help others, interfering with personal property and includes cyber-bullying: misuse of mobile phones and internet programmes to humiliate, threaten and/or isolate another

In St Joseph's PS all socially unacceptable behaviours will be dealt with in line with the school's Positive Behaviour Policy's procedures.

Here in St Joseph's PS we will differentiate between socially unacceptable behaviours and those which do constitute bullying behaviours. Socially unacceptable behaviours **BECOME BULLYING BEHAVIOURS** when the information gathered clearly demonstrates that the unacceptable behaviour **DOES MEET THE CRITERIA LISTED BELOW** i.e. on the basis of the evidence gathered the behaviour is/was:

- intentional,
- targeted at a specific pupil or group of pupils
- repeated*
- causing physical or emotional harm
- omission

In order to prevent bullying behaviours St Joseph's school have set out a number of key actions that will be taken forward, with the aim of preventing bullying and creating a safe learning environment. Examples of these include:

- * Raising awareness and understanding of the positive behaviour expectations, as set out in the Positive Behaviour Policy
- * Promotion of anti-bullying messages through the curriculum eg. inclusion of age-appropriate material specific to individual subject areas related to bullying, positive behaviour and inclusion
- * Addressing issues such as the various forms of bullying, including the how and why it can happen, through PDMU/PD/LLW (eg. sectarian, racist, homophobic, transphobic, disablist, etc.)

- * Involvement in meaningful and supportive shared education projects, supporting pupils to explore, understand and respond to difference and diversity.
- * Through the preventative curriculum actively promote positive emotional health and wellbeing (eg. mindfulness training)
- * Participation in the NIABF annual Anti-Bullying Week activities
- * Engagement in key national and regional campaigns, eg Safer Internet Day, Good Relations Week, etc.
- * Development of peer-led systems (eg. School Council) to support the delivery and promotion of key anti-bullying messaging within the school
- * Development of effective strategies for playground management, eg. training for supervisors, zoning of playgrounds, inclusion of specific resources (buddy benches, play bus stops) and provision of a variety of play options to meet the needs of all pupils.
- * Focused assemblies to raise awareness and promote understanding of key issues related to bullying.
- * Development of effective strategies for the management of unstructured times (eg. break time, lunch)
- * Provision and promotion of extra- and co-curricular activities, aimed at supporting the development of effective peer support relationships and networks. For example sporting activity, creative arts, leisure and games, etc.

Under the new legislation, schools must state within their policy the preventative measures they will put in place to prevent bullying behaviour on the way to and from school. While many of the measures outlined above will support the development of an anti-bullying culture, there are a number of ways schools can further build upon this related specifically on the journey to and from school. This includes:

- * Development of a culture where pupils take pride in their school and are viewed as ambassadors for their school within the community. This includes regular reminders of the positive behaviour expectations of pupils whilst travelling to and from school.
- * Measures to empower pupils to challenge inappropriate and unacceptable behaviour of their peers during the journey to and from school. This may include the implementation of peer monitoring systems on buses, trains and ferries, and for those walking.
- * Regular engagement with transport providers (eg. Translink, EA Transport, etc.) to ensure effective communication and the early identification of any concerns.
- * Promotion of key anti-bullying messages and awareness of behaviour expectations of pupils amongst the local community (eg. local shops, cafes, service providers, residents, etc), including information on how to raise any concerns with the school.
- * Appropriate deployment of staff to support the transition from school day to journey home (eg. staff duty at school gate/bus stops, where appropriate)

The new legislation also gives schools the authority to take steps to prevent bullying through the use of electronic communication amongst pupils at any time during term, where that behaviour is likely to have a detrimental effect on the pupil's education at school. In St Joseph's P.S we will take steps to raise awareness of the nature and impact of online bullying and support our pupils to make use of the internet in a safe, responsible and respectful way. This may include:

- * Addressing key themes of online behaviour and risk through PDMU/PD/LLW, including understanding how to respond to harm and the consequences of inappropriate use.
- * Participation in Anti-Bullying Week activities.
- * Engagement with key statutory and voluntary sector agencies (eg. C2k, PSNI, Public Health Agency, Safeguarding Board for NI e-Safety Forum) to support the promotion of key messages.
- * Participation in annual Safer Internet Day and promotion of key messages throughout the year.
- * Development and implementation of robust and appropriate policies in related areas (eg. Acceptable Use of the Internet Policy, Mobile Phone Policy etc.)

It is important to remember that the Anti-Bullying Policy is one of a number of policies in the wider pastoral care and safeguarding suite of policies. As such, it is essential that these policies align and provide a consistent message. The measures set out here, to prevent bullying behaviour through the use of electronic communication, will also be included in the school's e-Safety Policy and/or Acceptable Use of the Internet Policy. These should be set out in Section 12 of this policy.

Given the nature of technology, as constantly changing and developing, it is important that we monitor policy and message and make changes when necessary.

Section 7 – Responsibility

Everyone in the school community, including pupils, their parents/carers and the staff of the school are expected to respect the rights of others to be safe and to apply the preventative measures as detailed in Section 6 of this policy.

The school are responsible for responding to concerns of bullying behaviour as outlined in Section 8 of this policy and recording incidents and outcomes as detailed in Section 10.

There is a responsibility on all members of the school community to respond appropriately to bullying concerns as laid out in Section 9 of this policy.

Everyone has the responsibility to work together to:

- * foster positive self-esteem
- * behave towards others in a mutually respectful way

- * model high standards of personal pro-social behaviour
- * be alert to signs of distress* and other possible indications of bullying behaviour
- * inform the school of any concerns relating to bullying behaviour
- * refrain from becoming involved in any kind of bullying behaviour, even at the risk of incurring temporary unpopularity.
- * refrain from retaliating to any form of bullying behaviour
- * intervene to support any person who is being bullied, unless it is unsafe to do so.
- * report any concerns or instances of bullying behaviour witnessed or suspected, to a member of staff.
- * emphasise the importance of seeking help from a trusted adult about bullying behaviour when it happens or is observed
- * explain the implications of allowing the bullying behaviour to continue unchecked, for themselves and/or others.
- * listen sensitively to anyone who has been bullied, take what is said seriously, and provide reassurance that appropriate action will be taken
- * know how to seek support - internal and external
- * resolve difficulties in restorative ways to prevent recurring bullying behaviour and meet the needs of all parties

Section 8 – Reporting a Bullying Concern

Pupils Reporting a Concern

Children and young people have told NIABF that when they have a concern about a potential bullying situation, they would like the opportunity to discuss this with a member of staff that they trust. Pupils are therefore encouraged to raise concerns with any member of staff, including teaching and non-teaching staff. ANY pupil can raise a concern about bullying behaviour, not just the pupil who is experiencing this behaviour. As such, all pupils should be encouraged to 'get help' if they have a concern about bullying that they experience or is experienced by another.

Pupils can make staff aware of bullying related concerns:

- * Verbally- talking to a member of staff
- * By writing a note to a member of staff (eg. in a homework diary)
- * By sending an email to a member of staff or to a dedicated email address
- * By posting a comment in a 'worry box'

Parents/Carers Reporting a Concern

In the first instance, bullying concerns should be reported to the Class Teacher. Parents/carers should encourage their children to react appropriately to bullying behaviour and to not do anything to retaliate or to 'hit back'.

- * In the first instance, all bullying concerns should be reported to the Class Teacher
- * Where the parent is not satisfied that appropriate action has been taken to prevent further incidents, or where further incidents have taken place, the concern should be reported to the Principal.
- * Where the parent/carer remains unsatisfied that the concern has not been appropriately responded to, the school's complaints procedure should be followed. This usually involves making a formal, written complaint, to the Chair of the Board of Governors.

While the majority of reports of bullying concerns will come from pupils and their parents/carers, St Joseph's P.S. is open to receiving such reports from anyone within the school community.

All reports of bullying concerns received from pupils and/or parents/carers will be responded to in line with this policy and feedback will be made to the person who made the report. However, no information about action taken in relation to a pupil can be disclosed to anyone other than the pupil and his/her parents/carers.

Section 9 – Responding to a Bullying Concern

The focus of any intervention must be on responding to the bullying concern and restoring the wellbeing of those involved. As such, any strategy for responding to bullying concerns must concentrate on the prevention of any further incidents.

The processes outlined below provide a framework for how the school will respond to any bullying concerns identified.

Using the NIABF Effective Responses to Bullying Behaviour resource, the member of staff responsible shall...

- * *Clarify facts and perceptions*
- * *Check records (SIMS/BMM)*
- * *Assess the incident against the criteria for bullying behaviour*
- * *Identify any themes or motivating factors*
- * *Identify the type of bullying behaviour being displayed*
- * *Identify intervention level*
- * *Select and implement appropriate interventions for all pupils involved, including appropriate interventions, consequences and sanctions not listed in the Effective Responses to Bullying Behaviour resource*
- * *Track, monitor and record effectiveness of interventions*
- * *Review outcome of interventions*
- * *Select and implement further intentions as necessary*

NIABF advocates a restorative approach to responding to bullying behaviour. Interventions suggested in the Effective Responses to Bullying Behaviour resource focus on responding to the behaviour, resolving the concern and restoring the wellbeing of those involved.

When responding to a bullying concern, school staff in St Joseph's P.S. shall implement interventions aimed at responding to the behaviour, resolving the concern and restoring the wellbeing of those involved. Where appropriate, school staff may implement sanctions for those displaying bullying behaviour.

Information regarding any action taken regarding a pupil cannot be disclosed to anyone other than that pupil and his/her parents/carers.

A decision will be made as to whether the alleged behaviour is deemed by the school to constitute bullying using the criteria mentioned previously. Teachers will make this decision in consultation with the Safeguarding lead and Principal.

If an incident or issue is not deemed to be bullying, that will be explained to the complainant along with the reasons for that decision. The concern will be dealt with in line with the school's positive behaviour policy.

SUPPORT PROVISIONS

The school will provide support to all involved in an incident. This may be internal and external. This support will be assessed throughout the process.

Support for targeted pupil/s would involve:

- discussing and agreeing a tailored Code of Practice action plan which would involve pupil/s in; identifying SMARTE (Specific, Measureable, Achievable, Relevant,

Timely and Evidence Based) target/s; relevant success criteria, outcomes and assessment procedures

- keeping a record of the agreed action plan in Part 3 of the BCAF.
- ongoing dialogue to ensure that the strategies identified and agreed would, when implemented, result for example in: greater resilience; development of new coping skills & the promotion of positive restorative relationships - The school will use interventions contained in NIABF's **"Effective responses to bullying behaviour"**, (Pgs. 16-19 Appendix 3) and following; strategies from the DE SEN Resource File, **"Understanding and Managing Social, Emotional and Behavioural Difficulties"** (Pgs. 272-279 Appendix 4)
- copies of the agreed plan being shared with key partners to ensure for example- clarity of roles and understanding of specific strategies
- staff and pupils together tracking and monitoring progress to ensure the efficacy of the intervention is maintained and kept under review
- collecting data to evaluate the efficacy of the intervention by considering the following: were appropriate targets identified; did the strategies prove effective; were strategies consistently implemented by staff and pupils; was the success criteria clear; was the success criteria met etc.?
- keeping staff and pupil-self-assessment records
- progress being regularly reviewed and updated in the BCAF and outcomes shared with key partners - BCAF Part 4

Support for pupil/s displaying bullying behaviour would involve:

- discussing and agreeing a tailored Code of Practice action plan which would involve pupil/s in: SMARTE target/s, success criteria, outcomes and assessment procedures - see BCAF Part 3
- keeping a record of the agreed plan in Part 3 of the BCAF.
- ongoing dialogue to ensure that the interventions/strategies identified and agreed would, when implemented, result for example in: reduction/removal of unacceptable bullying behaviour/s; an enhanced ability to empathise and the restoration of relationships - using interventions contained in NIABF's **"Effective responses to bullying behaviour"**, Pgs. 16-19 and following; for strategies using DE SEN Resource File, **"Understanding and Managing Social, Emotional and Behavioural Difficulties"** Pgs. 272-279 See Appendix
- copies of the agreed plan being shared with key partners to ensure for example clarity of roles and understanding of specific strategies,
- staff and pupils together tracking and monitoring progress to ensure the efficacy of the intervention is maintained and kept under review
- collecting data to evaluate the efficacy of the intervention by considering the following: were appropriate targets identified; did the strategies prove effective;

were strategies consistently implemented by staff and pupils; was the success criteria clear; was the success criteria met etc.?

- keeping staff and pupil-self-assessment records
- progress being regularly reviewed and updated in the BCAF and outcomes shared with key partners BCAF Part 4

Follow-up procedures

The school will:

- **report back promptly to parents/carers informing them fully of actions taken/to be taken and outcomes achieved**
- provide regular opportunities for post-incident learning (debriefing sessions) for both target/s and pupil/s displaying bullying behaviour e.g. using Worth a Rethink ; Think Time Discussion Sheet
- acknowledge, affirm and celebrate success

Section 10 – Recording

The Schools will:

Keep a central (e.g. digital or paper) record of ALL bullying or alleged bullying incidents that occur while:

- (a) on the premises of the school during the school day
- (b) travelling to or from the school during the school term (see below point a);**
- (c) the pupil is in the lawful control or charge of a member of the staff of the school(see point B); or
- (d) the pupil is receiving educational provision arranged on behalf of the school and provided elsewhere than on the premises of the school.

To clarify:

- A. how travelling to or from the school during term time is interpreted e.g. while wearing school uniform for example to travel daily directly to school at the start of the day and directly from school to home at the end of the school day when**: on foot; on the school bus; on a 'school' taxi to an off-site educational provider
- B. what being under the lawful control of a member of the school staff entails - e.g. whilst on a school trip, a school visit; playing on a school team, attending another school/FE college under local Area Learning Community arrangements.**

Schools when dealing with allegations of bullying behaviour are advised to use the Bullying Concern Assessment Form (BCAF Appendix 1) found on the c2k SIMS Behaviour Management Model to record details which include:

- information gathered e.g. from those involved, key bystanders
- what from the information gathered and all of the circumstances, appears to be the **motivation or underlying theme** behind the behaviour e.g. gender, disability, race, Looked After Status (LAC) etc.
- the **method/s of bullying** e.g. exclusion, verbal, electronic, physical etc.
- details about how the incident was addressed i.e. interventions selected, action taken and support provided for both target/s and the pupil/s displaying bullying behaviour/s; any external support provided together with outcomes achieved

Therefore the school will centrally record all relevant information related to reports of bullying concerns, including:

- ✳ ***how the bullying behaviour was displayed (the method)***
- ✳ ***the motivation for the behaviour***
- ✳ ***how each incident was addressed by the school***
- ✳ ***the outcome of the interventions employed.***

Records will be kept on file in a secure location or on the online SIMS Behaviour Management Module, which is part of the C2k system in schools. Access to these records will be restricted and only provided to those members of school staff with a legitimate need to have access.

All records will be maintained in line with relevant data protection legislation and guidance and will be disposed of in line with the school's Retention and Disposal of Documents Policy. Collated information regarding incidents of bullying and alleged bullying behaviour will be used to inform the future development of anti-bullying policy and practice within the school.

Section 11 – Professional Development of Staff

Saint Joseph's Primary School recognises the need for appropriate and adequate training for staff, including teaching and non-teaching school staff.

The school is committed to providing staff with appropriate opportunities for professional development as part of the school's ongoing CPD/PRSD provision as resource and operational capacity allows. CPD records will be kept and updated regularly

Records of training will be maintained as part of the schools in service training log and training will feed into policy review and procedural development.

Opportunities for safeguarding training are afforded to Governors and all staff – teaching and non-teaching

Section 12 – Monitoring and Review of Policy

To appropriately monitor the effectiveness of the Anti-Bullying Policy, the Board of Governors shall:

- * maintain a standing item on the agenda of each meeting of the Board where a report on recorded incidents of bullying will be noted*
- * identify trends and priorities for action*
- * assess the effectiveness of strategies aimed at preventing bullying behaviour*
- * assess the effectiveness of strategies aimed at responding to bullying behaviour*

It is a legal requirement that the Anti-Bullying Policy be **reviewed at intervals of no more than four years**. It is our intention to review this policy within 4 years or sooner if any incident or external policy change occurs which highlights the need for such a review or if directed to by the Department of Education and in light of new guidance. The next review should therefore take place at the beginning of 2025 school year if not before.

Section 13 – Links to Other Policies

The Anti-Bullying Policy forms part of the school's overall Pastoral Care Policy. It links with the Child Protection/Safeguarding Policy in which the school outlines the steps it will take to protect children from harm and develop their personal safety strategies. It also links with the school's E-Safety Policy and Positive Behaviour Policy. The school outlines the types of behaviour which are considered to be appropriate and inappropriate along with the sanctions which will be used as part of the positive behaviour promotion process.

In the development and implementation of this Anti-Bullying Policy, the Board of Governors has been mindful of related policies, including:

- * Positive Behaviour Policy*
- * Pastoral Care Policy*
- * Safeguarding and Child Protection Policy*
- * Special Educational Needs Policy*
- * Health and Safety Policy*
- * Relationships and Sexuality Education*
- * E-Safety Policy & Acceptable Use of Internet Policy*
- * Mobile Phone Policy*
- * Educational Visits*
- * Staff Code of Conduct*

The Anti-bullying Policy will need to work alongside all linked policies and ensure:

- that all socially unacceptable behaviours are managed under the **Positive Behaviour Policy** procedures - see current school policy for further details
- that any Code of Practice action plans are drawn up, tracked, monitored, assessed and reviewed through the implementation of the **Special Educational Needs (SEN)** policy - see current school SEN policy for further details regarding procedures etc.
- that should physical restraint prove necessary it will be undertaken in compliance with the school's **Safe Handling Policy** - see current policy for further details
- that incidents relating to e-safety will be managed with reference to the school's **E-safety Policy** requirements - see current policy for further details
- that further details relating to the "preventative curriculum" can be found in the **statutory personal development curriculum/pastoral care policy** which requires schools to give specific attention to pupils' emotional wellbeing, health and safety, relationships, and the development of a moral thinking and value system

The Board of Governors of Saint Joseph's Primary School will monitor and review the effectiveness of the Anti-Bullying Policy and will update it regularly in line with new initiatives and developments.

Appendix 4 Understanding & Managing Social, Emotional & Behavioural Difficulties (SEBD)

Listed below are a range of strategies which are proven to have been effective in positive behaviour management.

- **Positive Feedback – Acknowledge / Approve / Affirm:**
Acknowledge (notice and describe the behaviour), approve it (say why it is good) and affirm (apply a positive label to the pupil) e.g. *"Thank you for tidying up so quickly – now we can have a break – you are a great helper"*. Use very, very frequently.
- **Positive Correction** – tell the pupils what you want them to do, i.e. not what you don't want them to do e.g. *"walk"* instead of *"stop running"*, *"hands up"* instead of *"stop shouting"*. Avoid saying *"don't"* or *"stop"*.
- **Positive Repetition** – when you give a direction ask someone who knows what to do to repeat it rather than focusing on the one who doesn't know.
- **Non-verbal Cues** – hands up, finger on lips, the "look".
- **Casual questions** – *"Got your pencil, John? Know what to do?"*
- **Direction** – tell them what to do, say *"Thank you"* in advance, walk off.
- **Give take-up time** – give a clear specific direction in a non-confrontational way and move away from the pupil with a clear expectation that a pupil will comply.

-
- **Re-direction** – repeat direction without being sidetracked. Use thanks and take-up time – give them time – don't stand over them in a confrontational way.
 - **Tactically ignore** – ignore secondary behaviour if the pupil is compliant with the primary behaviour requested e.g. if the pupil begins the task (primary behaviour) when asked, ignore any annoying secondary behaviours such as huffing or muttering.
 - **Physical Proximity** – move closer to a disruptive pupil.
 - **Proximity Praise** – praise to pupils complying may give a private message to those not complying. When a non-compliant pupil complies, notice and comment positively.
 - **Distraction / Diversion** – give an alternative task or activity to a disruptive pupil without highlighting the inappropriate behaviour.
 - **When / Then and First / Then** – first we do this, then we do that – avoids "no".
 - **Rule Reminder** – refer to rule, use thank you and give take-up time.
 - **Hand Up Rule** – e.g. *"I'm looking for a quiet hand"* or *"Remember what it is we do when we want to speak"*
-
- **Where / What?** – *"Where should you be?"* (in my seat) *"What should you be doing?"* (my work)
 - **Choices** – *"Put your (e.g. magazine/comic) on my desk or in your bag – which are you going to do?"* The last choice you give is more likely to be taken up therefore you need to think about the order in which you give them to pupils (always give preferred

outcome as the last choice). Give take up time. Remind of consequences if necessary.

- **Broken Record** – calmly repeat request or rule or consequence; avoid confrontation or being drawn into argument. Stay neutral.
- **Partial Agreement** – in response to excuses, say *"That may be so (he was talking to me) but I need you to get on with the work"*.
- **Private Reprimand** – a quiet word rather than a public confrontation.
- **Repair and Rebuild** – as soon as possible after a reprimand, find an opportunity to say something positive about the pupil – *"Catch them being good"*.
- **Follow up – follow through** – it is the certainty rather than the severity of consequences which is important.
- **Consider using a Think Sheet** as a consequence to help pupils choose a more appropriate behaviour in future. e.g.
 - what rule did you break?
 - what was the effect?
 - what are you going to do to put things right?
 - what will you do next time?
- Other helpful interventions for younger children include –
 - use of visual timetable – whole class or individual

- choice boards – limit the choice to two or three things to help pupils who find it difficult to choose activities
- use of social stories (Gray – in press)
- buddy system at playtime to encourage good friendships
- use an "I am working for" board
- use a "noiseometer" – visual scale of noise level expected
- Golden Time – a time when pupils can choose a preferred activity
- positive news notes maintain positive relationships with parents/guardians
- stickers / certificates
- circle time sessions (Mosley, 1998)
- short withdrawal time e.g. thinking chair with support until ready to rejoin group

5. STRATEGIES FOR DEALING WITH DIFFICULT SITUATIONS

A difficult situation may arise unexpectedly, or may be a frequent occurrence for a minority of pupils. In the latter case, there may be an agreed behaviour management plan to deal with the pupil's behaviour.

In dealing with difficult situations, adults will need to make professional judgements based on their experiences and the knowledge of the individual pupil.

Listed below are some points to remember and some strategies which may be effective in managing difficult situations. It may also be appropriate to seek further help in line with the Code of Practice (DENI, 1998a).

Points to remember when dealing with difficult situations

- stay calm
 - use a quiet voice
 - use neutral language and keep it to a minimum
 - avoid invading personal space unless necessary
 - avoid prolonged eye contact
 - stand still
 - state expectations clearly – remember to tell pupil what you want him/her to do
 - remind pupil of consequences (use cautiously)
 - state what will happen next
 - it may be necessary to remove the audience
 - withdrawal – move pupil away from the group for a short period. This models a non-violent response, gives 'cooling off' time and time for reflection. It also teaches that inappropriate behaviours will not be tolerated and protects the rights of all.
 - exiting – refer to Safe Handling Policy. (DE, 2004).
-
- recognise and understand that all individuals may become angry/aggressive and be aware of the conflict spiral. This is presented in Figure 5 overleaf:

Figure 5: Understanding Aggression: Conflict Spiral

www.team-teach.co.uk

- Reflect the feelings of the pupil - *"I can see you are upset."*
- Always remember to give a thought-driven professional response to a pupil's behaviour with a view to de-escalating the situation.
- All behaviour is a means of communication. Habitual behaviour serves a purpose but more appropriate behaviour can be learned. How we respond is very important in teaching and achieving the desired behaviour.
- Use the W5 approach as an assessment tool:
 - ▶ What?
 - ▶ Where?
 - ▶ When?
 - ▶ Who?
 - ▶ Why?

e.g.	what?	-	John is shouting out
	where?	-	in Mrs X's class
	when?	-	continually (every day)
	who?	-	(at whom) teacher
	why?	-	appears to need attention

Set realistic targets e.g. *'John will put his hand up when he wants to speak.'*

Teacher strategies to help John achieve his targets:

- rehearsal and reminders at beginning of lesson.
- positive acknowledgement when John puts his hand up.
- consequence for continual shouting out.

Renew targets and strategies as necessary:

- if something doesn't work, stop doing it.
- notice what does work and do more of it.
- ensure consistency of approach from all adults.
- give the following messages to the pupil:

"I want you to succeed in my class."

"I won't give up on you."

"You are responsible for your own behaviour."

Summary

The principles of effective behaviour management outlined here should contribute to teachers' understanding and management of behaviour.

Core values have been identified and a range of positive behaviour management strategies for developing whole school ethos, policy and effective practice have been presented.

Teachers should find the information useful in promoting and sustaining good behaviour, developing behaviour management plans for the classroom and in developing individual plans for pupils with SEBD.

Schools should also find the content of this chapter useful in promoting inclusive practice for pupils with SEBD and improving learning and teaching for all.

Dear Parents/Guardians,

We are seeking the views of pupils and parents/guardians to help us find out how effective our school has been in creating an Anti-Bullying culture and to review the effectiveness of our Anti-Bullying procedures.

We are presently working on preparing a revised Anti-Bullying Policy. Attached is a questionnaire that we would like you to complete. Your views would be very welcome and your responses will be treated in strictest confidence. Please complete the questionnaire and return it to school as soon as possible. The results from the survey will form part of our evaluation strategy in reviewing our Policy document.

In St Joseph's P.S our definition of bullying from our revised draft Policy is as follows:

At Saint Joseph's P.S we believe all forms of bullying behaviour are unacceptable. We believe that all pupils have the right to learn in a safe and supported environment.

We as a school community repudiates bullying behaviour of any kind, to any member of the school community, by any member of the school community.

The Addressing Bullying in Schools Act (NI) 2016 provides schools with a legal definition.

Addressing Bullying in Schools Definition of "bullying":

1.—(1) In this Act "bullying" includes (but is not limited to) the repeated use

of—

(a) any verbal, written or electronic communication,

(b) any other act, or

(c) any combination of those, by a pupil or a group of pupils against another pupil or group of pupils, with the intention of causing physical or emotional harm to that pupil or group of pupils.

(2) For the purposes of subsection (1), "act" includes omission.

A statement on the definition can be seen below:

Bullying is behaviour that is usually repeated, which is carried out intentionally to cause hurt, harm or to adversely affect the rights and needs of another or others.

Please have a look at the draft policy document which you can find on the school's website, Our School tab and click on policies. Or please contact the school for a paper copy.

Yours sincerely,

Mrs I Porter

Principal
